

## WHY SCUBA STATION?

Scuba Station's instructional staff has been in the business of teaching diving since 1990.

We use the PADI System of diver education from entry-level through Divemaster, with many rewarding stops along the way. These experiences include Wreck Diver, Enriched Air Diver, Deep Diver, Equipment Specialist, Digital Underwater Photographer, and many more.

We employ the area's finest PADI professionals, many of whom are experts in their respective fields. We offer plenty to do once you are certified, including instructor escorted vacations, weekend getaways and offshore adventures. Our professional staff includes a full-time service technician, a PADI Master Scuba Diver Trainer and three PADI Master Instructors.
